105TH CONGRESS 1ST SESSION

S. 544

To provide certain protections to volunteers, nonprofit organizations, and governmental entities in lawsuits based on the activities of volunteers.

IN THE SENATE OF THE UNITED STATES

APRIL 9, 1997

Mr. Coverdell (for himself, Mr. McConnell, Mr. Abraham, Mr. Santorum, and Mr. Ashcroft) introduced the following bill; which was read twice and referred to the Committee on the Judiciary

A BILL

To provide certain protections to volunteers, nonprofit organizations, and governmental entities in lawsuits based on the activities of volunteers.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.
- 4 This Act may be cited as the "Volunteer Protection
- 5 Act of 1997".
- 6 SEC. 2. FINDINGS AND PURPOSE.
- 7 The Congress finds and declares that—

- (1) the willingness of volunteers to offer their services is deterred by the potential for liability actions against them and the organizations they serve;
 - (2) as a result, many nonprofit public and private organizations and governmental entities, including voluntary associations, social service agencies, educational institutions, and other civic programs, have been adversely affected by the withdrawal of volunteers from boards of directors and service in other capacities;
 - (3) the contribution of these programs to their communities is thereby diminished, resulting in fewer and higher cost programs than would be obtainable if volunteers were participating;
 - (4) because Federal funds are expended on useful and cost-effective social service programs, many of which are national in scope, depend heavily on volunteer participation, and represent some of the most successful public-private partnerships, protection of volunteerism through clarification and limitation of the personal liability risks assumed by the volunteer in connection with such participation is an appropriate subject for Federal legislation;
 - (5) services and goods provided by volunteers and nonprofit organizations would often otherwise be

- provided by private entities that operate in interstate commerce;
- 3 (6) due to high liability costs and unwarranted 4 litigation costs, volunteers and nonprofit organiza-5 tions face higher costs in purchasing insurance, 6 through interstate insurance markets, to cover their 7 activities; and
- 8 (7) reform efforts should respect the role of the 9 States in the development of civil justice rules, but 10 recognize the national Government's role.
- 11 (b) Purpose.—The purpose of this Act is to promote 12 the interests of social service program beneficiaries and 13 taxpayers and to sustain the availability of programs, non-14 profit organizations, and governmental entities that de-15 pend on volunteer contributions by reforming the laws to 16 provide certain protections from liability abuses related to 17 volunteers serving nonprofit organizations and govern-

20 APPLICABILITY.

mental entities.

- 21 (a) Preemption.—This Act preempts the laws of
- 22 any State to the extent that such laws are inconsistent
- 23 with this Act, except that this Act shall not preempt any
- 24 State law that provides additional protection from liability
- 25 relating to—

1	(1) volunteers or to any category of volunteers
2	in the performance of services for a nonprofit orga-
3	nization or governmental entity; and
4	(2) nonprofit organizations or governmental en-
5	tities.
6	(b) Election of State Regarding Non-
7	APPLICABILITY.—This Act shall not apply to any civil ac-
8	tion in a State court against a volunteer, nonprofit organi-
9	zation, or governmental entity in which all parties are citi-
10	zens of the State if such State enacts a statute—
11	(1) citing the authority of this subsection;
12	(2) declaring the election of such State that this
13	Act shall not apply to such civil action in the State;
14	and
15	(3) containing no other provisions.
16	SEC. 4. LIMITATION ON LIABILITY FOR VOLUNTEERS.
17	(a) Liability Protection for Volunteers.—Ex-
18	cept as provided in subsections (b) and (d), no volunteer
19	of a nonprofit organization or governmental entity shall
20	be liable for harm caused by an act or omission of the
21	volunteer on behalf of the organization or entity if—
22	(1) the volunteer was acting within the scope of
23	the volunteer's responsibilities in the nonprofit orga-
24	nization or governmental entity at the time of the
25	act or omission;

- 1 (2) if appropriate or required, the volunteer was 2 properly licensed, certified, or authorized by the ap-3 propriate authorities for the activities or practice in 4 the State in which the harm occurred, where the ac-5 tivities were or practice was undertaken within the 6 scope of the volunteer's responsibilities in the non-7 profit organization or governmental entity; and
 - (3) the harm was not caused by willful or criminal misconduct, gross negligence, reckless misconduct, or a conscious, flagrant indifference to the rights or safety of the individual harmed by the volunteer.
- 13 (b) Concerning Responsibility of Volunteers
 14 to Organizations and Entities.—Nothing in this sec15 tion shall be construed to affect any civil action brought
 16 by any nonprofit organization or any governmental entity
 17 against any volunteer of such organization or entity.
- 18 (e) No Effect on Liability of Organization or 19 Entity.—Except as provided under subsection (e), noth-20 ing in this section shall be construed to affect the liability 21 of any nonprofit organization or governmental entity with 22 respect to harm caused to any person.
- 23 (d) EXCEPTIONS TO VOLUNTEER LIABILITY PRO-24 TECTION.—If the laws of a State limit volunteer liability 25 subject to one or more of the following conditions, such

9

10

11

- 1 conditions shall not be construed as inconsistent with this2 section:
- (1) A State law that requires a nonprofit orga nization or governmental entity to adhere to risk
 management procedures, including mandatory training of volunteers.
 - (2) A State law that makes the organization or entity liable for the acts or omissions of its volunteers to the same extent as an employer is liable for the acts or omissions of its employees.
 - (3) A State law that makes a limitation of liability inapplicable if the volunteer was operating a motor vehicle, vessel, aircraft, or other vehicle for which the State requires the operator or vehicle owner to possess an operator's license or to maintain insurance.
 - (4) A State law that makes a limitation of liability inapplicable if the civil action was brought by an officer of a State or local government pursuant to State or local law.
 - (5) A State law that makes a limitation of liability applicable only if the nonprofit organization or governmental entity provides a financially secure source of recovery for individuals who suffer harm as a result of actions taken by a volunteer on behalf

- of the organization or entity. A financially secure source of recovery may be an insurance policy within specified limits, comparable coverage from a risk pooling mechanism, equivalent assets, or alternative arrangements that satisfy the State that the organization or entity will be able to pay for losses up to a specified amount. Separate standards for different types of liability exposure may be specified.
- 9 (e) Limitation on Punitive Damages of Volun-10 teers, Nonprofit Organizations, and Govern-11 mental Entities.—
 - (1) General rule.—Punitive damages may not be awarded against a volunteer, nonprofit organization, or governmental entity in an action brought for harm because of the action of a volunteer acting within the scope of the volunteer's responsibilities to a nonprofit organization or governmental entity unless the claimant establishes by clear and convincing evidence that the harm was proximately caused by an action of such volunteer which constitutes willful or criminal misconduct, or a conscious, flagrant indifference to the rights or safety of the individual harmed.
 - (2) Construction.—Paragraph (1) does not create a cause of action for punitive damages and

1	does not preempt or supersede any State law to the
2	extent that such law would further limit the award
3	of punitive damages.
4	(f) Exceptions to Limitations on Liability.—
5	The limitations on the liability of a volunteer, nonprofit
6	organization, or governmental entity under this section
7	shall not apply to any misconduct that—
8	(1) constitutes a crime of violence (as that term
9	is defined in section 16 of title 18, United States
10	Code) or act of international terrorism (as that term
11	is defined in section 2331 of title 18) for which the
12	defendant has been convicted in any court;
13	(2) constitutes a hate crime (as that term is
14	used in the Hate Crime Statistics Act (28 U.S.C
15	534 note));
16	(3) involves a sexual offense, as defined by ap-
17	plicable State law, for which the defendant has been
18	convicted in any court;
19	(4) involves misconduct for which the defendant
20	has been found to have violated a Federal or State
21	civil rights law; or
22	(5) where the defendant was under the influ-
23	ence (as determined pursuant to applicable State
24	law) of intoxicating alcohol or any drug at the time

of the misconduct.

The court shall render a separate judgment against each defendant in an amount determined pursuant to the preceding sentence.
